Moreover, throughout Q4 FY22, Prime Securities' executed turnover reached EGP3.7bn, implying a 58% YoY expansion and a 32% QoQ decrease, as Q3 marked a huge activity in block trades. Furthermore, Q4 FY22 markets share stood at 2.1% versus 1.9% a year ago and 5.5% in Q3 FY22, while Q4 FY22 ranking came in at #14 compared with #17 and #7 in Q4 FY21 and Q3 FY22, respectively.

Quarterly Executed Turnover (EGP'mn)

Quarterly Brokerage Revenues (EGP'000)

- Major block trades:** in FY22, Prime Securities was remarkably dynamic in block trading, as it executed 20 block trades. Q4 FY22 particularly witnessed the execution of five block trades amounting to a total of EGP235mn, involving the sale of significant stakes in five firms, namely:
  - Manazel Real Estate Development
  - FutureFert for Fertilizers & Chemical Industries
  - Commercial International Bank (CIB)
  - Misr Beni Suef Cement
  - Medinet Nasr for Housing & Development
- Ending 2022 with 23 covered stocks, while making bold successful stock calls:** In Q4 FY22, Prime Research initiated coverage on Alexandria Containers & Cargo Handling [[ALCN](#)], with an audio summary published in [PRIMETalk podcast Episode No. 12](#). This brings core coverage to 23 stocks by end of 2022. In addition to the regular daily newsletters, Prime Research published 13 notes during the quarter, covering equity and technical analysis. These included a **TAKE**Stock note that was first-to-market, revisiting our view on Telecom Egypt [[ETEL](#)] on 3 November 2022 and making a bold call on the stock that has long been deeply undervalued, in our opinion. By end of 2022, ETEL's stock rallied 35% afterwards, beating the EGX 30 index which rose only 30% over the same time period. A summary of this note was also published in [PRIMETalk podcast Episode No. 9](#).

- **Expanded research coverage in 2022 and introduced new services to clients:** During 2022, Prime Research initiated coverage on three companies, growing core average by 15% y/y and published a total of 73 notes, covering equity, technical, and economy. During the year, Prime Research introduced new services to the market, namely:

(1) **PRIMETalk** was launched in Q1 2022 (March 2022), with 15 episodes produced in 2022. It is an Arabic podcast where Prime Research analysts discuss key published fundamental and technical research notes.

(2) **PRIMEMorning** was launched in Q2 2022 (May 2022), with 304 episodes produced in 2022. It is a daily Arabic podcast, covering the fundamental news and technical analysis before the trading day on the EGX.

(3) **STOCKPick** was launched in Q3 2022 (September 2022). It is a product catering to Prime Securities' institutional and high-net-worth clients where we pick stocks that we think are worth taking a closer look at. This could be a long and/or a short investment idea on (a) an absolute basis (i.e. cheap/dear valuation) and/or (b) from a relative valuation point of view (i.e. a higher/lower risk-adjusted return).

- **STANDPoint Update, a well-timed equity strategy update by mid-November:** During Q4 FY22, Prime Research updated **STANDPoint** equity strategy on [13 November 2022 titled "Time to Catch Up"](#), just in time before the market started to appreciate following the EGP devaluation end of October 2022. In that note, we picked 12 stocks under four different headlines, namely:

- Stocks linked to USD (6 stocks)
- Stocks linked to rising interest rates (2 stocks)
- Stocks linked to the state (2 stocks)
- Stocks linked to peers (2 stocks).

Our house view was also summarized in [PRIMETalk Episode No. 10](#).

In Q4 2022 alone, Prime Research closed 11 stock calls with a 73% success rate, generating an average positive return of 4.7% per stock.

## II. Asset Management (Prime Investments)

- AUM's on the rise:** AUM's grew by a solid 11% YoY, reaching EGP8,922mn as of December 31, 2022 compared to EGP8,064mn a year earlier. The increase is attributed to equity mandates adding a handsome 25%, while money market funds were affected by high-interest-rate CDs continuing to lure in retail investors and big corporates benefiting from high bank overnight rates.

Over the last quarter of FY22, Prime investments AUM's rose 44% up from EGP6,203mn as of September 2022, mirroring a 54% upsurge in equity AUMs and an 11% spike in money market AUMs.

- New funds launched :** FY22 witnessed the launch of two fresh money-market funds by Prime Investments:
  - On July 1, 2022, Prime Investments launched a new money market fund, Amman Youm bi Youm, with Amman Micro Finance. The aforementioned fund was fully subscribed on July 19, 2022.
  - In Q1 FY22, Prime Investments was mandated a new money market fund with a size of EGP25mn from GIG Insurance. The aforementioned fund was launched and fully subscribed in May 2022.

### III. Investment Banking (Prime Capital)

- **Closed transactions:** FY22 marked the successful closing of a couple of transactions by Prime Capital, including the deals hereunder:
  - I. Prime Capital acted as the exclusive financial advisor to the LimeVest-Tawasol Consortium that acquired a majority stake in Alexandria Medical Services (AMES) in a deal worth EGP928.7mn, bringing the consortium's stake in AMES to 96%.
  - II. Prime Capital sealed an important transaction, whereby LCP Fund II completed the acquisition of a significant minority stake in ECC Group. Prime Capital acted as the exclusive financial advisor to the seller. ECC Group is a specialized contract manufacturer and brand owner operating in the cosmeceutical and personal care industries, led by two industry veterans with over 20 years of experience. ECC's product portfolio includes creams, lotions, gels, wax, and soaps used for skincare, haircare, bath and body, and cosmetics. ECC offers its customers a one-stop-shop, providing them with product development, product registration, product design, packaging and raw material sourcing, manufacturing, warehousing and filling. The group has been able to grow rapidly over the years, supported by longstanding relationships with leading cosmeceutical and personal care brands. ECC Group's brands include Infinity, one of the fastest growing cosmeceutical players in Egypt as well as Bobana and HairDo which focus on commercial haircare and skincare products.
  
- **Noticeable activity in IFA reports:** Prime Capital was engaged by a handful of clients to provide IFA reports in FY22. The companies involved span the insurance and logistic sectors, which are covered for the first time by Prime Capital's IFA team, in addition to the real estate sector.

### IV. Non-Banking Financial Services (Prime FinTech)

- **Leasing portfolio:** As of December 2022, tools & equipment made up the bulk of the leasing portfolio with a 59% contribution, followed by real estate making up 29%. In terms of sector diversification, the food & beverages sector topped the list with a 30% contribution, followed by the trade sector constituting 13%, and the real estate and textiles sectors each representing 10%.
