

To: Disclosure Sector

The Egyptian Stock Exchange

Greetings,

Within the framework of Egypt Kuwait Holding company's interest to inform the shareholders about the developments of the company's business and various investments, and in response to the published news regarding the company's investments, and with reference to the company's disclosure on 23/2/2023 regarding the company's intention to invest an amount of US \$ 170 million, and to the company's disclosure on 20/3/2023 regarding the purchase of an additional share in one of EKH subsidiaries "Bawabat Al-Kuwait Holding Company – a closed Kuwaiti shareholding company", and to the disclosure dated 15/7/2023 regarding the opening of new factories and the development and completion of expansions of some production lines in one of EKH subsidiaries "Sprea Egypt Company". In this context, it is expected, before the end of 2023, to complete the disbursement of the remaining amount targeted for investment during the year in the following areas which previously disclosed : completing the drilling of two gas wells in the concession field in North Sinai offshore, completing the MDF production plant project, completing all Works to increase the operational capacity of a power station, in addition to completing the purchase of minority shares in EKH subsidiaries.

Best Regards,

هاني عزام
